Year-End Contribution is a Blessing

God was certainly praised and your generosity shined through as we collected \$148,398 in our year-end contribution Sunday. I want to thank everyone for their gifts,

as we are striving to pay off our building debt in the next three years. Everything that we collected Sunday is going toward the debt. May God be glorified, as we work together to build for our future. Please continue to pray for this effort as we have a fifth Sunday contribution coming up in three weeks. Everything given that day will go toward the debt, as well. Remember, due to the Holidays, we will not be having Bible Classes on Wednesday, December 23rd. Instead, we will have a combined devotional in the auditorium that night, beginning at 6:30 p.m. Please make plans to join us. -Kelly

Thank You Note

Dear Collegeside Church Family,

On November 22nd, four years ago, satan tried to take Jordan from his family. Through the prayers of literally thousands of people, God denied satan and gave Jordan back to us. The support from our former church home, Jefferson Ave., and our new church home here at Collegeside have been, and continue to bless us.

Jordan has on one occasion been heard to say, "uh huh, or no." A short time afterward, he repeated it. We still have a long journey ahead. Jordan is still not conversant in a typical way, but we know that God will continue to bless Jordan and a day will come for his full recovery. God's time is not our time and we continue to be prayerfully patient.

We cannot begin to tell you what the support of Collegeside, Jefferson Ave., our family, and friends have meant. Please pray for God's continued grace and blessing for our family.

Sincerely,
Bob, Glenda, Shannon, and Jordan Terry

CAMPUS CORNER by Dave Edmonds

Thanks for all the food during finals week. I want you all to know that God is good and He is faithful. I say this because the UCSC campus ministry had a great fall semester.

For the second year in a row we had a great freshman class. We have new students from Tullahoma, Chattanooga all around Nashville and many other places. We have been growing closer together all semester through two retreats, weekly activities and small groups.

Many thanks go out to the 24 families that are involved with small groups that we call "Oasis Groups." The small groups have been a great, friendly way to evangelize their friends. They invite them over for a home cooked meal and good fellowship, followed by a devotional led by college students.

Finally, I want to recognize the help that the two elders, Durley McLarty & Don Wagon , and two deacons, Doug Talbert & Tom Lancaster, have been to me this year. -Dave
