The Bulletin of Collegeside Church of Christ

Dec. 21 2007

Kelly's Korner

at Collegeside in 2007. Some highlights include the opening of our new Kidside building and the addition of three new staff members. We were blessed with the addition of Kim Huddleston and Resa Roberts as our Kidside Coordinators and Kevin White as our Involvement Minister. In the midst of 2007, God has added over 30 new people to our church family, which is always a great encouragement to all of us. Without a doubt, the Lord has given us many reasons to be excited about 2008, and we need to praise Him for that!

How about personally? Can we all see the good things that God has given each of us this past year? Perhaps, however, 2007 has brought some personal pain your way. Although there is pain, we also have hope, knowing that our God is a God of providence and love. May God bring blessings to you and yours in the coming year as we all seek to serve and glorify Him! -*Kelly*

Corbin was coming around the barn to feed the animals. He didn't like getting up this early in the morning but he was looking forward to seeing the young couple he met last night. He felt bad about making them stay the night in the barn, but there really wasn't another place to put them. They were thankful nevertheless and the bread his wife gave him to give them should make their day.

When Corbin rounded the corner his eye immediately caught some of the largest and healthiest camels he had ever seen. He crept up not knowing what to expect. He was worried that his boss had found out about those kids he let sleep in his barn. He had a thing against beggars.

He first heard some soft spoken words and then he saw what must of been the riders of those camels. These men must have been kings cause he had never seen men adorned like this except when once he caught a glimpse of Herod going down the street. Those three men were on their knees! He couldn't believe it. These men dressed like they were on their knees, focused on what appeared to him to be a trough. He walked around the scene unnoticed. He smelled something wonderful and then saw a large amount of gold strewn in front of them. What was the sound coming from the trough? The girl had her baby! He looked back at the men and they were bowing their heads toward the newborn. Who is this baby? -*Dave*
